Theme: Financing and Innovation for the Cultural and Creative Sectors

At European level, we can count on several achievements fostering the development of cultural and creative sectors, including from an intellectual property perspective. What are the next steps that we should take at EU level in order to unlock the potential of these sectors?

What kind of measures for the creative sectors may enhance their entrepreneurial and innovation potential?

How can we ensure a sustainable funding of cultural and creative sectors?

How can we strengthen the development of cultural and creative sectors through cultural policies at national level?

- Welcome address by Mr. Valer-Daniel Breaz, Minister of Culture and National Identity, Romania
 - Introduction by Mr. Tibor Navracsics, Commissioner for Education, Youth, Culture and Sport
 - Keynote speech – Mrs. Carmen Croitoru, General Director of the National Institute for Cultural Research and Training, Romania
